

ATTENTION Belleview Elementary supporters! King Soopers automatically contributes to our school with every purchase! HUGE CHANGE! Effective April 2019.

This is *the easiest* way to donate funds to our school and **now it's even easier**. Do you have a King Soopers loyalty card? You know the one you always scan before you check out? The one that gets you the lower prices and collect points for fuel discounts? Now, every time you make a purchase at King Soopers, *a percentage of your purchase can be donated to Belleview Elementary PTCO*. Just make sure to scan your loyalty card or enter your Alternate ID! (It's the same program as the reloadable gift cards, but cuts out the reloading and the gift card!)

### **What do you need to do?**

In order for Belleview PTCO to receive the funds, you must first register your King Soopers loyalty card online and connect your account to our school. This is super quick and easy to do.

1. Register your King Soopers Rewards card (SooperCard) online:
  - a. Go to [www.kingsoopers.com](http://www.kingsoopers.com) and click on Welcome/Sign In. Upper right of screen.
  - b. Either sign into your account or click on Create an Account and create your account.
2. Once you are registered and logged in, connect your SooperCard to Belleview PTCO
  - a. In the **My Account** menu, click on **Community Rewards**
  - b. Select the organization Belleview Elementary. You can enter "Belleview" in the search box and our school will come up. Once you click on Belleview Elementary, you are done! Good job! You are now automatically contributing to our school every time you shop at King Soopers!

Thank you to everyone who supported Belleview PTCO by purchasing and using the reloadable gift cards! Now it's even easier to make your contributions to our school! Please remember to register your SooperCard and connect it to our school!
